INTRODUCTION

PRINCIPAL'S COMMENTS TO DONOR

Assalam-O-Alaikum!

Hope you are fine and enjoying the blessings of Allah (SWT). I on behalf of the students, staff members and the parents want to express gratitude for supporting our institution and helping the helpless.

I want to share the progress of our school that our students have obtained very good marks in recent external exams of Class 8th. Our students secured 1st and 3rd positions in the whole district. The school has gained very good reputation in the area and due to the reason we face lots of pressure against new admissions every year.

This repute and credibility can be enhanced and students can be provided with better facilities if the school can manage to construct its own purpose built building which can only be possible with your support and cooperation. We always pray for your success and long life.

Shamraiz Akram Principal MHMS Haji Abad Kotli

VISITOR'S/DIGNITARY'S COMMENTS
