As with last year you will find that the school report has particular details of the school's operations, however, it has been revised again, this time with an additional 'Floor Plan' of the whole school as well as additional photographs; as well as the 'Whole School Photograph' there are also now 'Whole Class Photographs' to provide you with even more information of your school.

May we take this opportunity to sincerely thank you for your support through which we are able to deliver this life changing educational programme. We need your continual support because we believe that eliminating poverty through helping educating the impoverished is a worthwhile project.

We would like to bring to your attention the need to improve facilities at your school.
